

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

REISSUE APPLICATION DECLARATION BY THE ASSIGNEE		Docket Number (optional) PHN 15,446R
I hereby declare that: My residence and post office address and citizenship are stated below next to my name. I am authorized to act on behalf of the following assignee: <u>U.S. PHILIPS CORPORATION</u> and the title of my position with said assignee is: <u>VICE PRESIDENT</u> The entire title to the patent identified below is vested in said assignee.		
Name of Patentee(s): <u>PAUL J.M. SCHLATMANN</u>		
Patent Number <u>5,764,313</u>	Date of Patent Issued <u>JUNE 9, 1998</u>	
Title of Invention <u>FASTENING OF A PICTURE TUBE IN A CABINET OF A TELEVISION RECEIVER SET</u>		
I believe said patentee(s) to be the original, first and sole/joint inventor(s) of the subject matter which is described and claimed in said patent, for which a reissue patent is sought on the invention entitled <u>FASTENING OF A PICTURE TUBE IN A CABINET OF A TELEVISION RECEIVER SET</u> the specification of which <input type="checkbox"/> is attached hereto. <input checked="" type="checkbox"/> was filed on <u>November 17, 1999</u> as reissue application number <u>09 / 443,251</u> and was amended on <u>concurrently to add CLAIMS 2-5 (Col. 4)</u> , in response to the accompanying (If applicable) NOTICE OF OMITTED ITEMS, mailed Dec. 14, 1999 I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above. I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56. I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.) <input type="checkbox"/> by reason of a defective specification or drawing. <input checked="" type="checkbox"/> by reason of the patentee claiming more or less than he had the right to claim in the patent. <input type="checkbox"/> by reason of other errors. At least one error upon which reissue is based is described as follows: The claims are currently limited to mounting a crt in a television receiver cabinet. However, the invention also covers mounting a crt in a computer monitor cabinet, since a computer monitor is, in essence, a television receiver absent the tuner circuitry. [Attach additional sheets, if needed.] All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.
